About Us...

Main Line Pizza & Catering has been family owned and operated since 1991. We purchased Main Line Pizza, formerly T "n" T Pizza, in March of 1993, nine months after we got married. We met working in the corporate world after graduating from college. After several years, we both knew it wasn't for us. We both aspired to work for ourselves and own a business. Why a pizza place? Robert delivered pizza while attending college at a very successful family-owned pizzeria. He loved the owners, the pace and the atmosphere. Our family friends took us under their wings and taught us the ropes from top to bottom. Even helping us find our current location. And the rest is history!

Our goal at MLP is to serve high-quality food at an affordable price, with a smile. For over twenty years, we have developed friendships with our customers by learning their names and what they like to eat, maybe not always in that order. Over time, we have expanded into catering. We also offer a large variety of gluten-free, vegetarian and low/zero-carb items. We follow healthy food-trends and use fresh ingredients. And as always, our pizza dough is homemade daily. Co-owner, Robert, is certified by the National Foundation for Celiac Awareness. The GREAT seal ensures that our staff is well trained to serve safely prepared gluten-free food to our sensitive customers. We are also proud active members of the Radnor community.

Thank you for making us a part of your family. We greatly appreciate the opportunity to serve you. Cheers to another twenty-five years of good food and friendships!

Warmly,
Jennifer and Robert
